-

Government Subsidy Scheme

We provide solar installations under the **PM Surya Ghar Muft Yojana**, a Central Government initiative under the Ministry of New and Renewable Energy (MNRE).

The objective of this scheme is to help households reduce up to 95% of their electricity bills through clean and renewable solar energy solutions.

Eligible customers can receive Central Government subsidies directly to their bank accounts.

Subsidy Details

Solar Capacity Subsidy Amount

1 kW	₹30,000
2 kW	₹60,000
3 kW	₹78,000

Bank Loan Facility

To make solar energy affordable for everyone, Arrow Solar also provides assistance for bank loans through leading centralized banking partners.

Our team helps customers with:

- Loan application guidance
- Subsidy processing support
